

# Work Skills and Enterprise Sessions from Big Ideas

**Big Ideas delivers a fun and interactive Work Skills programme covering three modules of the Edexcel Level 2 Work Skills qualification. The skills gained through this workshop are transferable and designed to fit in with other enterprise qualifications that your school may take part in, allowing students to attain five possible credits.**

Big Ideas,  
North East Business  
and Innovation Centre (BIC),  
Wearfield, Sunderland,  
SR5 2TA

Big Ideas is a division of  
the North East BIC

This one day programme is designed to encourage individuals to work through the development of a business idea, to construct a business plan, and to deliver a short presentation on their product or service idea.

The session covers

- aspects of working in a team
- planning an enterprise activity
- running an enterprise activity

To date a number of students have taken part in the programme, and found skills they never thought they had.

*“I have learnt how to create a business plan and think of all the things that apply to building a successful business”*

**Lucy age 14**

*“I have learnt how to better use my initiative and now feel more confident when giving presentations”*

**Nathan aged 14**

*“I feel that my teambuilding skills have improved a lot after today”*

**Daniel age 14**
